

City of Victoria Thoroughfare Master Plan

A Thoroughfare Master Plan (TMP) establishes a community's transportation policy direction and provides a long-term vision of the major street network necessary to meet future mobility needs.

Thoroughfare Master Plan (TMP)

Intent

to help guide development and implementation of a balanced, multi-modal transportation infrastructure that can best serve the needs of the community going forward.

Purpose

to accommodate the growth and development of the community by providing detailed assessments and recommendations of existing and future transportation plans, programs, policies, and infrastructure.

Policy

Thoroughfare Master Plan

submitted to
City of Victoria, Texas

final TMP document shall include recommended updates to subdivision regulations, standard design and specifications, and a final map.

TMP Update:

- TMP is jointly funded:
 - \$70,000 – MPO
 - \$30,000 – General Fund
